A MESSAGE FROM THE PRINCIPAL

Dear Families of Laurelville Elementary,

Flu season is definitely upon us. The staff of Laurelville Elementary is doing everything we can to prevent illness from spreading throughout the school. The building is sanitized nightly; desks, door knobs, sinks, stair railing, chairs, etc are all cleaned with a bleach solution. Please help us by:

- *keeping your child home if he/she has a fever or showing signs of illness
- *encourage your child to wash hands frequently
- *encourage your child to cough or sneeze in his/her elbow
- *do not share food or utensils

Thank you for helping us to do our best to prevent illness from spreading.

I wish to send a special thank you to all of our families, community members, Laurelville Police Department and Fire Department and to Logan Elm High School and Middle School Marching Band. Our Halloween parade was wonderful and so much fun. We can not do the parade without the help of several people. Thank you very much for allowing Laurelville to be such a special place!

Thank you for sharing your child with us!

Sincerely,

Vicki Scott

Reminder: Please make sure you and your family use the crosswalks (located in front of the building to cross the road, front of parking lot, near front of office and near rear of office building). This allows for optimal safety. Also, please make sure students are safely dropped off at designated areas (not along the road). Thank you.

Students need to have a **note** if they are going someplace different on the bus or if they are walking or being picked up. **Writing a note is the best way for your child to get to where you desire him/her to go.** If no note is turned in, your child may not be where you expect them to be. Please send in a note if your child is going somewhere different. Thank you.
